**Candid Carpet Cleaning** is a locally owned business from Champaign Illinois. We service the Decatur, Champaign, and Bloomington areas. Our main focus is to provide top quality service, as well as top quality customer service to our community.

At Candid we are very focused on the continued growth of our business. It is not enough for Candid to just be financially successful. We strive to give back as much as we can back to the community.

This is how the give back program

started, it gives us a chance to help those in need, and support organizations that help our community.

Our program is as follows: when any member of a church or non-profit organization

uses our service, Candid will donate 10% of your total bill. This is just one way that Candid can give back to the community.
